

2014-15
HHS
Band Policy Handbook

This handbook has two main purposes. The first is to give ready reference to students, parents and school personnel the formula used for grading. The second purpose is to communicate the desired behaviors and values that have made and will continue to make our HHS Bands among the very finest. A good band citizen is based on “*LOYALTY not LOCATION.*”

The HHS Marching and Concert bands are performance oriented organizations. Therefore, the student will earn his/her grade through the accumulation of points awarded for performance or execution of work or a task; to include the actual performance, rehearsal attendance, playing and/or written exams. There are three methods of accumulating Performance Points (PPs) outlined below.

Section I

Band Performance Points
(BPP)

BPPs are earned by preparation and participation in performances (1-5 pts. per performance). The sustained success of the HHS bands has been the direct result of students and parents placing rehearsals and performances as a top priority on their calendar. Dates will always be issued well in advance. The dedication and sacrifice on the part of the band family in the past has resulted in many memorable HHS band experiences and a rich band tradition. “Spend your heritage wisely.”

BPPs are accumulated by continued musical improvement. It is expected for example that a student’s musical performance be greatly improved for the final home football game when compared to the first. Similarly, it is expected that the student’s performance at the final concert band performance be improved when compared to the first rehearsal. Students attending and participating in each rehearsal and performance will earn the maximum number of BPPs. The areas where musical improvement is expected for both marching and concert band include:

Articulation	Performances (concert, marching,
Cooperation	pep, jazz bands)
Dynamics	Notes and rhythms
Ensemble playing skills	Phrasing
Intonation	Playing range
Musical term knowledge	Technique
Musically expressive playing	Tempo
Music theory and form knowledge	Tone quality

Personal Performance Points
(PPP)

PPPs are awarded for individual musical improvement to include all of the above by the student's ability to demonstrate his/her musical skills through playing and/or written exams. For example, if a student successfully passes all playing/written exams the maximum number of PPPs will be awarded (3 pts per exam). Another factor in the awarding of PPPs will be the successful compliance with HHS band rehearsal expectations and the "Code of Conduct." PPPs will be earned for the following endeavors:

- Successful chair placement auditions – 5 pts (chair placement does not guarantee part assignment)
- Advancement in the Band Award System – ¼ pt per objective completed
- All-Region band audition – 2 pts
- All-Region 2nd band – 3 pts
- All-Region 1st band – 4 pts
- Preparation for district/state ensemble – 1 pt
- Preparation for district/state solo – 2 pts
- District and/or state ensemble (I or II rating) – 2 pts each
- District and/or state solo (I or II rating) – 3 pts each
- All-State audition – 4 pts
- All-State band member – 6 pts
- Playing and/or written exams – varies
- Successful participation in the tutoring program – 2 pts per quarter
- Taking private lessons with an approved teacher – 2 pts per quarter

Leadership Performance Points
(LPP)

Because of the additional responsibility, skill, time and effort in leadership positions LPPs will be awarded. The LPP will be awarded each quarter leadership skills are demonstrated. The number of points awarded will depend on the quality of leadership demonstrated per semester. Officers will be elected each year.

<u>Position</u>	<u>Possible LPP</u>
Publicity Manager	2 pts
Marching Tech/Band captains	2 pts
Color guard captains	4 pts (awarded 1 st semester only)
Class rep	2 pts
Drum major	6 pts (awarded 1 st semester only)
Loading/equipment manager	2 pts
President (Sr. only)	3 pts
Secretary/reporter	2 pts
Section leader	2 pts
Uniform/music manager	2 pts
VP (Jr. only)	2 pts
Any band member demonstrating outstanding leadership when not assigned a leadership position	2 pts

To help clarify how poor performance, attendance issues and infractions could negatively affect your grade, the following list of examples and consequences is provided (although not all inclusive).

1. No points will be awarded for missed performances.
2. An unexcused missed performance will result in a grade no higher than a “C” for the quarter of the missed performance.
3. A portion of BPPs will be deducted if asked not to play tested sections of the music because of lack of mastery.
4. Students unable to pass large portions of tested material and/or placed on non-performance status; no BPPs will be earned for the performance (s) missed.
5. PPs will be deducted for not fulfilling responsibilities by not having equipment essential for rehearsal or performance.
6. Equipment (uniforms, music, stands, instruments etc...) left out will result in deduction of PPPs and/or LPPs.
7. Rowdy, undisciplined behavior in any setting relating to band will result in the loss of PPPs and/or LPPs.
8. Poor fundamental posture (marching or concert) will result in the loss of PPs.
9. Bringing food, drinks or gum into the music hall will result in the loss of PPPs and/or LPPs.

Consequences:

1. Deduction of PPs.
2. Clean-up duty.
3. Denial of participation in large trips (Washington DC, Disney World etc...).
4. Stand at attention or sit in auditorium in a predetermined location during performances.
5. Removal from band.

Section II Rehearsal Expectations

Band starts daily at 7:50 am (7:00 am for marching band starting in the fall of 2014, with no evening rehearsals for full band – only sectionals, guard and percussion) rain, shine or snow.

Our ability to progress and achieve both as individuals and as a band is dependent on our combined ability to function in an orderly and systematic manner as we strive to attain our goals and maintain our reputation. Each person (students and instrumental staff) is dependent on the other, not only for high musical standards but even more importantly, for high moral standards, strong character and a sense of responsibility to our band heritage. Just a few weak musicians or one undisciplined individual can have a detrimental effect on the positive effort of the other band members. To help communicate the values and desired behaviors that are necessary for success rehearsal expectations and the “Code of Conduct” have been established. Failure to comply will result in the deduction of PPs and in some cases removal from band.

Concert/Pep Band/Jazz Band

1. Because we have band members from every segment of the school population it is important that everyone be able to hear announcements.
2. It is impossible to produce the very best sound without correct posture. Use only the first few inches of your chair when you are playing or when we are in performance mode.
3. Cease all conversation when anyone steps on the podium.
4. Sit/stand erect with both feet flat on the floor.

5. To maintain the high level of performance excellence, it is absolutely paramount to mark every detail on your music. Keep a pencil on your music stand ready for action.
6. Avoid wasting rehearsal time. If another section's problems are dominating the rehearsal, use the time to silently practice through difficult passages of the music. In the early stages of a composition's development, writing in rhythmic syllables, highlighting dynamics, routing endings (DC and DS) marks, numbering measures, searching out key signature changes and accidental traps will benefit not only you but other band members as well.
7. Exert control over yourself. Demand alertness, vitality, musical expression and a positive attitude from within.
8. All band members are expected to take their instruments home 3 days a week. The weekend counts for 2 days.
9. All reed players are expected to have 3 good reeds at all times.
10. Do not do anything that will take your attention or anyone's attention away from the music. With everyone pushing hard during each rehearsal and performance our band reputation and tradition will be maintained.
11. Perform musically with regard to tone, intonation, rhythm, dynamics, tempo and phrasing.

Marching Band

As with the concert band our ability to progress and achieve both as individuals and as a band is dependent on our combined ability to function in an orderly and systematic manner as we strive to attain our goals and maintain our reputation. Each person (students and staff) is dependent on the other, not only for high musical standards but even more importantly, for high moral standards, strong character and a sense of responsibility to our band heritage. Again, just a few weak musicians or one undisciplined individual can have a detrimental effect on the positive effort of the other band members. However, since the marching pride is largely a student run organization it is necessary for each student to show respect for and follow the instructions from their drum majors, marching tech/captains, section leaders etc.

1. The following fundamentals will be given prime consideration when awarding BPPs.
 - a. correct posture and instrument position
 - b. marching in step and on the beat
 - c. maintaining attention
 - d. correct execution of the following methods of movements
 - parade rest
 - attention
 - back marching
 - facing moves
 - roll step
 - lateral slides
 - left & right flanks
 - maintaining of correct interval and mark time
 - spacing
2. So many detailed field instructions are given that it is at first, impossible to remember all of them. To keep rehearsals from stalling due to student and/or staff memory lapses each person must have paper and pencil on the field at all times. Musicians may mark their music, guard members need a small spiral notebook to write down field positions and count sequences.
3. Help keep the music hall looking clean and tidy by keeping your equipment put away in the designated place.
4. Memorization of all competition and pre-game music.

5. Perform musically with regard to tone, intonation, rhythm, dynamics, tempo and phrasing.
6. Avoid wasting rehearsal time. If another section's problems are dominating the rehearsal, use the time to silently practice through difficult passages of the music. In the early stages of a composition's development, writing in rhythmic syllables, highlighting dynamics, routing endings (DC and DS) marks, numbering measures, searching out key signature changes and accidental traps will benefit not only you but other band members as well.
7. Exert control over yourself. Demand alertness, vitality, musical expression and a positive attitude from within.
8. All band members are expected to take their instruments home 3 days a week. The weekend counts for 2 days.
9. All reed players are expected to have 3 good reeds at all times.
10. Do not do anything that will take your attention or anyone's attention away from the music. With everyone pushing hard during each rehearsal and performance our reputation, band integrity and tradition will be maintained.

“Code of Conduct”

1. It is dangerous to chew gum in band. Therefore, it will not be tolerated.
2. To reduce confusion and noise do not play your instrument until instructed to do so. Practice at home or in a practice room.
3. Each student will strive to demonstrate a sense of responsibility in the following manner:
 - a. Bring all necessary items essential for rehearsal or performance (instrument, music, uniform, flags, mallets, etc.)
 - b. Keep your uniform neat and clean
 - c. Showing supreme respect for all equipment (personal and school owned)
 - d. Keeping your instrument in excellent playing condition
 - e. Attending all sectionals, rehearsals, practices and performances
 - f. Representing your band, school and community with pride and only the best conduct at all band functions
4. Because of the thousands of dollars of equipment in the music hall and other storage areas, we must provide for a common defense by reporting any suspicious activity immediately.
5. Everyone will have a luggage tag on his/her instrument; this applies to those on school horns as well. Tags are to be labeled in the following manner:

Name
Harrison High School
925 Goblin DR
Harrison, AR 72601
870.741.8223
6. Keep your instrument and equipment in the appropriate storage area. All music is to be stored in the folder cabinets. It is not permitted to keep your music in the instrument storage cabinets or inside your instrument case. If you use something, put it away.
5. Food, drink or gum is not allowed in the music hall.
6. Chalk and dry-erase boards are for information and instructional purposes only.
7. School phones are to be used by students after school hours to arrange for a ride home.
8. When on “central band time” you arrive early to prepare for the rehearsal or performance. Minimum expectation is to be in your designated place with your instrument, music, and any other necessary equipment 5 minutes prior to the designated time or before the tardy bell. **“If you are on time, you are late.”**
9. The use of and possession of drugs, alcohol, tobacco and firearms during any band activity will result in legal procedures and possible dismissal from the band.

10. It is your responsibility to keep abreast of posted information and announcements. Check boards, calendar, website, and doors daily.
11. Communication is the key! If you need something (music, instrument repair etc.) let an instrumental staff member know or put a note on the board. All paperwork handed out must make it home to parents. The HHS band operates on an open door policy. Parents/guardians will be called and can call anytime.
12. PDA and the use of expletives will not be tolerated.
13. Obey all instrumental staff members and booster parent sponsors.

17. Concert auditions will be based on all-state audition material and will include scales and sight-reading. Audition results will be used first and foremost as a GRADE, used as a guide when assigning ensemble and parts and do not guarantee membership into a specific ensemble or part assignment. Ties will be broken by the sight-reading score, section leader will be first chair unless the highest score is earned by an underclassman in which case an upperclassman will be selected as a section leader based on score and previously demonstrated leadership ability.
18. Since many performances require uniformity, colored (black, orange, blue etc...) instruments are strictly discouraged. Major instrument manufacturers (Selmer, Yamaha, Holton etc...) do not offer such options, those that do may be of inferior quality.

Section III
Lettering in Band

Because the HHS band program is a significant representative of the school and community and because of the academic, creative and performance excellence displayed by its past and current members, the administration has deemed it worthy of earning a school letter. Those earning a band letter should wear it with pride. The requirements are listed on the lettering application.

Section IV
Quarterly Grading Scales

Examples of the basic structure for each of the four quarters are listed below. The construction of each quarter is based on typical quarters as they have been experienced in the past. Often the bands will be issued a special invitation to perform. Changes that occur will be discussed and posted. It is the student's responsibility to keep abreast of any changes.

Section V

Band Officer and Leadership Responsibilities

Each officer shall support the instrumental staff unconditionally once decisions are made. As officers you represent supreme positions within the band and shall act responsibly. Infractions against the HHS band rehearsal expectations, “Code of Conduct,” school or civil rules, regulations and/or laws will result in disciplinary action that may include removal from position. One person shall be selected for each position unless otherwise denoted.

Marching Tech/Captains (Sr. Preferred): “Drillmaster and Section leaders over the brass or woodwind choir.” Responsible for cleaning drill, dance, body moves, foot position for 1 quarter of the field. Contact members with tardy and attendance issues. Offer section leaders assistance with individual help on MM, music, flag work drill, etc. Fulfill section leader duties in his/her absence. Inspect and keep music hall and storage areas clean and picked-up. Pass out and collect tuners to/from section leaders when instructed to do so, always for correct calibration (A440) prior to passing out and power turned off after collection. **Unless otherwise directed, your job stops when each rehearsal begins and resumes when released by the director. Four selected: 2 woodwind, 2 brass.**

Freshman rep must ride bus 3 and take attendance prior to each departure.

Drum majors (Jr and Sr only): Direct the marching band on the field and during various times throughout the year. Arrive at each rehearsal 30 minutes early to “set things up” and remain until everything is put away. Assist anyone anytime with anything.

Assist Drum Major with field set-up and put-up. Verify with each captain that all needed and necessary equipment is loaded for each event. Never tie equipment down in trucks – parents will tie and secure all equipment prior to each departure. Check the busses after each trip for equipment, trash and damage. Sweep out trucks bi weekly and wash all band vehicles quarterly. **Four selected.**

President (Sr. only): Work with and lead the other officers with the coordination of outside of class activities, help build spirit and pride within the band, represent the Sr. class during officer meetings, lead cheers during football games, arrive early and stay late to assist with set-up and clean-up before and after rehearsals. Ride bus 1 and take attendance prior to each departure and report absences to the secretary. Relay announcements during concert season to concert band and percussionist. **Unless otherwise directed, your job stops when each rehearsal begins and resumes when released by the director.**

Secretary (Sr. or Jr.): Verify that all members are in attendance on each bus prior to each departure. Report any absences to Mr. Mealer. Teach the band VP how to take attendance in the event of an absence. Assist publicity manager. Assist staff with daily attendance.

Section leader (Jr or Sr only): Warm up the section 10 minutes prior to rehearsals (especially marching band). Assist staff with sectionals, help members of their section with MM, music, keep section’s equipment neat, orderly and in shape, maintain order within section during rehearsals, see that each section member is at each event with all needed equipment and materials prior to the event call time. Keep cases and instruments stacked together. Tune section prior to each performance. Fold and store bleacher covers after each football game. Report future absences to captains, so that they can make arrangements to cover for you. **Unless otherwise directed, your job stops when each rehearsal begins and resumes when released by the director.**

Uniform/music manager (Jr or Sr. only): Assist parents with uniform checkout, returns, adjustments and sell extra gloves. Arrive early at each activity to assist with uniforms by rolling uniform carts out of the semi and storing them when done. Return to the uniform area early with a staff member after performances to assist with uniform storage by: rolling uniform carts out, providing guidance on how to correctly hang uniform and roll carts back on the semi when done. Keep uniform storage area and music library neat, clean and orderly. Assist with music copying distribution and replacement. Inspect uniforms prior to each performance (trousers – 2 inches off the ground with shoes on, black socks only, cuffs – at the bend on the back of the wrist with arms at sides, long hair – up for guys and girls, helmet – bill over brow). **Four selected**

VP (Jr. only – director selected): Same president duties outlined above in addition to representing the Jr. class during officer meetings. Ride bus 2 and take attendance prior to each departure and report absences to the secretary. **Unless otherwise directed, your job stops when each rehearsal begins and resumes when released by the director.**

The Treasurer shall prepare and provide a written account of the finances and audit of the corporation and such report shall be physically affixed to the minutes. These reports shall be provided at regular meetings.

Section VI **Attendance Policies**

Attendance is a must! Per the district attendance policy the grade of “F” will be entered and credit will not be earned. Extenuating circumstances will be given consideration after an appeal form has been completed and turned in. Eight absences within a quarter equates to missing one day a week or 20%. In the real world, employers will not pay you for 80% attendance and in most cases you would be terminated. An unexcused missed performance will result in a grade no higher than a “C” for the quarter of the missed performance. Missing 3 rehearsals in a single week will result in the denial of performances for that week. The Tuesday evening rehearsal during marching band is the equivalent of 2 rehearsals. If the absences are excused there will be no loss of grade points as long as you are at the performance (we always need help with equipment, set-up and clean-up).

In regard to school conflicts the following will be observed:

1. Band schedules are set well in advance so most conflicts will be avoided. If there will be an absence, directors must be notified by parents in writing 2 weeks prior to event.
2. Every attempt will be made by this department to avoid conflicts and/or work-out compromises so that the student may participate in each event.
3. Varsity football players are excused during football games.
4. Cheerleaders are expected to perform ½ time with the band.
5. Several ACT test dates are scheduled locally, regionally and nationally, so there should be no conflict.
6. Invitational events: the student may choose.
Region/conference events take president over invitational. State events take president over all others.

Section VII **Financial Obligation**

Band fee (class of 07-08 decision): Each member will be assessed \$25.00 (\$30.00 beginning in the fall of 2015, class of 14-15 decision) that will cover, but not limited to the following: drill design, marching music, copyright protection, summer staff technicians, marching technicians, final uniform cleaning for the year and a pair of gloves.

Instrument/equipment fees: As we grow, instruments and equipment become a premium. To help maintain existing equipment we must charge a user fee. User fees will be set at a rate of:

Winds	\$60.00 per year
Percussion	\$20.00 per year

If you use more than one piece of equipment there is a flat fee. Persons using school equipment will be responsible for damage exceeding normal wear and tear from misuse or abuse.

A fund raiser will be established to help defray the above band fee. Other fund raising opportunities will be offered throughout the school year.

Individual accounts: each student will have an individual fund raising account. The money raised will be used for large trips. Individual accounts balances have no cash value, refunds will not be made, this account will be used solely for trips. Upon graduation or the dropping of band the money will be transferred to the general band fund unless a sibling is in band, in which case, the money may be transferred to them with no cash value.

Large trips: The HHS bands frequently travel on large trips for competitive events as a reward for a job well done and as a means to showcase the district's instrumental program in a national setting. These trips are in addition to the usual 3-4 marching, jazz, concert contests and individual events that are held locally. Large trips are scheduled well in advance and are in excess of 500 miles from Harrison, AR. While local competitions and contests are required and paid for with district/band funds, larger trips are not. Additionally, grades are not earned. However, denial on any trip may be necessary if a student's behavior or actions warrants such. Large trips are funded by the student and fund raising activities. Trip fees are non-refundable.

Parents traveling with the band will be utilized as chaperones. Duties shall include but will not be limited to bus duty, parking lot duty, room check and hall duty. On large trips (see above), parents must ride the bus or drive equipment trucks to take advantage of discounted rates.

Actual cost will vary from year to year.

Attendance and permission to be a part of large trips is based on the following criteria:

1. Adherence to the policies set forth and outlined in this manual.
2. Enrolled in band as an active and participating member during the current year.
3. Maintaining a positive student account balance.
4. Completion and submission of trip commitment form.
5. On time and complete deposits into the student account.

Additional items of responsibility:

Black marching shoes \$25.00
Black bow tie \$10.00
Black socks
White dress shirt
Color guard uniform and accessories approximately \$250.00

When financial assistance is warranted, the booster club may provide assistance on an as needed basis.

Turning in money: checks are preferred over cash. Always fill-out a "band deposit form." Checks are to be made payable to HHS BAND with a note in the memo section denoting purpose of the money.

Section VII **Solos and Ensembles**

To help maintain the high level of performance the HHS band have come to expect and demand, the instrumental staff will give final approval to individuals and groups that will represent Harrison at region and state contests. Groups not performing at the expected level will have their entry cancelled. The staff will work with each entry a minimum of two (2) times. The first will be three weeks prior to the performance with suggestions for improvement, with the final being one week prior with approval of HHS band representation being granted.

Rules and guidelines:

1. Entry and accompanist fees will be paid by the student.
2. Each entry will be responsible for scheduling an accompanist if needed.
3. Rehearsals are the responsibility of each entry. The instrumental staff and facilities will be available outside of school hours.
4. You must fill out the HHS band solo/ensemble contract and forms. You are responsible for misprints not reported.
5. Dress for performance will be business attire (suits and dresses).
6. Students dropping from an event must pay for the event once scheduled. When a replacement is found the original member must still pay the fee – the replacement will not be expected to learn and pay for an event at the last minute.

Section IX **Eligibility**

The state and school has set up guidelines for those participating in extra-curricular activities. Band is co-curricular, meaning that it is considered as a class and as an extra-curricular. Therefore, it is governed by both classifications when eligibility is considered.

Students must be enrolled in band the previous semester to be eligible for the current semester. This includes new students to the district. To participate in the HHS Marching, Concert or Pep Bands, Jazz ensemble, Color Guard, Drum Line, All-Region/All-State Band, Solo and Ensemble etc... The participant must be enrolled in Instrumental Music I, II, III or IV.

A very rare health/medical circumstance may warrant an exception provided the following:

1. Written explanation of the illness and projected duration of the issue
2. Written document from a medical Doctor:
 - a. detailing the health issue,
 - b. listing the reasons that the medical issue will prevent band participation
 - c. indicating the dates for excuse
